HELP US STAY CONNECTED WITH OUR COLLEGE STUDENTS

At Beth Torah, we want to make every effort possible to stay connected with our students throughout their college years. This is accomplished through the Keri Brooke Heiken College Outreach Program. Among the various activities sponsored by this program are:

- Care Packages to our college students three or four times a year to help them celebrate the Jewish Holidays
- The Weekly Devar Torah from the Rabbis on the portion of the week. Special emails regarding Israel & the Community.
- Sharing of emails and information offering special study opportunities for Jewish college students.
- A visit by the Rabbis to University of Florida, FSU, University of Central Florida and Florida Gulf Coast University to have lunch and/or dinner with the College Students of Beth Torah.
- A "Night With the Rabbis" for those students studying in the South Florida area.
- "Pizza Night" with the Rabbis over the December break and in the summer, just before everyone heads back to school.

We want to stay in touch with our Beth Torah College kids so please contact us today. We have great things planned for the entire year!

ALL WE NEED FOR YOU TO DO IS...

SEND US THEIR COLLEGE ADDRESSES AND EMAILS

Please complete the form on the back of this brochure and mail it in the return envelope provided, or simply email the information to BTCollegeConnection@btbrc.org or mcohen@btbrc.org
